Annual Meeting Information

The 27th Annual Meeting of the Professional Soil Scientists Association of Texas, will be held at the College Station Conference Center, at 6 PM on February 6, 2008. We used that facility a few years ago. It's located on George Bush Drive, on the south side of the TAMU campus, across from the golf course. The cross street is Bizzell Street on the TAMU campus side.

The Annual Meeting is a chance for each of the different committee to present their annual reports, elect new Officers (Vice President, and a President-Elect), visit with our peers, and enjoy each other's presence.

Committee Reports

Just a reminder that Chairs of Committees should send a copy of their report to Tom Hallmark, Vice President.
