The following documents are needed to support your application:

- A concise resume of two pages or less
- A copy of your most recent transcript.
- A list of completed courses providing a background and training for a career in the field of soil science. (The list should be limited to courses in the field of natural sciences.)
- A brief letter from you addressing background, educational objectives, leadership qualities and career plans.
- Two letters of reference (one page each) addressing personal traits. At least one should be from a college advisor, department head, or soils professor. Letters should be emailed directly to scholarship@pssat.org.

The deadline to send Application and all supporting materials to scholarship@pssat.org is **January 21, 2027.**
